All USATT laws and regulations apply.

FORMAT: Events marked "RR" consist of preliminary round robin groups of 3-4 players. The player with the best record in the group advances to a single elimination draw. All matches are 3 out of 5, 11 point games. The tournament committee reserves the right to modify the format or cancel events due to insufficient entries.

ELIGIBILITY: All players must be USATT members or members of an ITTF affiliated association except for events 2, 18 & 19. Bring your membership card or receipt. Non-members **MUST** join USATT at the tournament. USATT membership: \$40/yr, \$100/3yr for adults; \$20 for juniors; \$60/yr for household (2 adults + minors). Adult players who have never been USATT members may purchase a One-Time Tournament

Pass for \$10. Junior players must be under the event age in their selected junior event as of the tournament date. Senior players must be 45, 60 by December 31, 2006. **Players ratings will be based on the March/April 2006 issue of the USATT magazine.** The tournament committee reserves the right of acceptance or refusal of all tournament entries.

DIRECTIONS: Dillon Gym is about a 5-minute walk from the Princeton train station (you have to get off at Princeton Junction and take the shuttle train to Princeton). For those driving, you can enter the University from Faculty Road via Elm Drive. At the parking booth you will be directed to an appropriate place to park. Dillon Gym is located further up on the left side of Elm Drive after a double curve. An alternate parking location would be University Place. Please check the University map at <http://www.princeton.edu/map> for more details.

Features:
 9 Different Spins - 30 to 100 balls/minute – 4 to 50meters/sec
 Feeds to 9 different positions - 130 ball capacity

Cost: \$1,150

Plus a Free Gross of Double Fish balls if ordered before June 2006.

Uses Double Spin Technology to feed no spin, top spin, under spin, and side spin balls and has programmable spin control and ball ejection speed. These functions can not be performed by a single spin machine. There are 9 different feeding positions. By pressing the left or right buttons on the Control Panel you can easily control and select the ball's trajectory angle. The Table Tennis Robot has 3 different modes for the user to choose from:
 1) Regular-mode (fixed feeding position)
 2) Auto-mode (feeds irregular, left and right)
 3) Self-mode (programmed by user)
 The machine has memory function and can record inputted programs and memory of last plays mode and order. A collection net is used to automatically gather back the balls into the robot's feeding tray.
